

All Cockburn John Charles Academy students have a locker to keep valuables safe and to store outdoor clothing.

It is compulsory for all students to have a locker. Students will only be allowed to use the padlocks provided by school (they are a specific design which come with the lockers). A £10 payment is required for the lock and locker.

This policy has been introduced in line with the School Council's wishes and we hope that you will support the use of lockers in school, which provide a safe storage space and make school life easier for students.

Please complete the slip below and return it to school with your £10.

Paid with thanks, the sum of £10.00 for a locker.
