### Vulnerable children

Vulnerable children include those who have a social worker and those children and young people up to the age of 25 with education, health and care (EHC) plans.

Those who have a social worker include children who have a Child Protection Plan and those who are looked after by the Local Authority. A child may also be deemed to be vulnerable if they have been assessed as being in need or otherwise meet the definition in section 17 of the Children Act 1989.

Those with an EHC plan will be risk-assessed in consultation with the Local Authority and parents/carers, to decide whether they need to continue to be offered a school place in

order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carers, therapists or clinicians visiting the home to provide any essential services. Many children and young people with EHC plans can safely remain at home.

Eligibility for free school meals in and of itself should not be the determining factor in assessing vulnerability.

Senior leaders, especially the Designated Safeguarding Lead (and deputy) know who our most vulnerable children are. They have the flexibility to offer a place to those on the edge of receiving children's social care support.

Cockburn Multi-academy Trust will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority virtual school head for looked-after and previously looked-after children. The lead person for this will be the Designated Safeguarding leads (named above).

There is an expectation that vulnerable children who have a social worker will attend an education setting, so long as they do not have underlying health conditions that put them at risk. In circumstances where a parent/carer does not want to bring their child to an education setting, and their child is considered vulnerable, the social worker and Cockburn Multi-academy Trust will explore the reasons for this directly with the parent/carer.

Where parents/carers are concerned about the risk of the child contracting COVID19, Cockburn Multi-academy Trust or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

Cockburn Multi-academy Trust will encourage our vulnerable children and young people to attend a school/academy, including remotely if needed.

### **Attendance monitoring**

Local authorities and education settings do not need to complete their usual day-to-day attendance processes to follow up on non-attendance.

Cockburn Multi-academy Trust and social workers will agree with parents/carers whether children in need should be attending school – Cockburn Multi-academy Trust will then follow up on any student that they were expecting to attend, who does not. Cockburn Multi-academy Trust will also follow up with any parent/carer who has arranged care for their child(ren) and the child(ren) subsequently do not attend.

### **HOW WILL THIS LOOK IN YOUR SCHOOL/ACADEMY?**

To support the above, Cockburn Multi-academy Trust will, when communicating with parents/carers, confirm emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

In all circumstances where a vulnerable child does not take up their place at the academy, or discontinues, Cockburn Multi-academy Trust will notify their social worker.

### **Designated Safeguarding Lead**

Cockburn Multi Academy Trust has a Designated Safeguarding Lead (DSL) and a Deputy DSL in all schools/academies

Designated Safeguarding Leads are: Sarah Danskin-Lewis (CJCA) and Jonathan Stevens (CS)

Deputy Designated Safeguarding Leads are: Janette Jarrett (CJCA) and Fiona Campbell (CS)

The optimal scenario is to have a trained DSL (or deputy) available on site. Where this is not the case a trained DSL (or deputy) will be available to be contacted via phone, email, CPOMS or online conference through 3CX - for example when working from home.

Where a trained DSL (or deputy) is not on site, in addition to the above, a senior leader will assume responsibility for co-ordinating safeguarding on site. This might include updating and managing access to our child protection online management system, CPOMS and liaising with the offsite DSL (or deputy) and as required liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments at the academy

It is important that all Cockburn Multi-academy Trust staff and volunteers have access to a trained DSL (or deputy). On each day staff on site will be made aware of that person is and how to speak to them.

The DSL (or deputy) will continue to engage with social workers, and attend all multi-agency meetings, which can be done remotely.

### **Reporting a concern**

Where staff have a concern about a child, they should continue to follow the process outlined in the school Safeguarding Policy, this includes making a report via CPOMS, which can be done remotely.

In the unlikely event that a member of staff cannot access their CPOMS from home, they should email the Designated Safeguarding Lead, Deputy Designated Safeguarding Lead and the Head of School. This will ensure that the concern is received.

Staff are reminded of the need to report any concern immediately and without delay.

Where staff are concerned about an adult working with students in the academy/school, they should report the concern to the Head of School directly. If there is a requirement to make a notification to the Head of School whilst away from school/academy, this should be done verbally and followed up with an email to the Head of School.

Concerns around the Heads of School should be directed to the Executive Headteacher: David Gurney.

The Multi-academy Trust will continue to offer support in the process of managing allegations.

### **Safeguarding Training and induction**

DSL training is very unlikely to take place whilst there remains a threat of the COVID 19 virus.

For the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if they miss their refresher training.

All existing school/academy staff have had safeguarding training and have read part 1 of Keeping Children Safe in Education (2019). The DSL should communicate with staff any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers enter Cockburn Multi-academy Trust, they will continue to be provided with a safeguarding induction.

If staff are deployed from another education or children's workforce setting to their usual school/academy, we will take account of the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that: -

- the individual has been subject to an enhanced DBS and children's barred list check
- there are no known concerns about the individual's suitability to work with children
- there is no ongoing disciplinary investigation relating to that individual

For movement within the Trust, schools/academy should seek assurance from the Multi-academy Trust (MAT) HR that the member of staff has received appropriate safeguarding training.

Upon arrival, they will be given a copy of the receiving setting's child protection policy, confirmation of local processes and confirmation of DSL arrangements.

### **Safer recruitment/volunteers and movement of staff**

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, Cockburn Multi-academy Trust will continue to follow the relevant safer recruitment processes for their setting, including, as appropriate, relevant sections in part 3 of Keeping Children Safe in Education (2019) (KCSIE).

In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimise the need for face-to-face contact.

Where Cockburn Multi-academy Trust are utilising volunteers, we will continue to follow the checking and risk assessment process as set out in paragraphs 167 to 172 of KCSIE. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

Cockburn Multi-academy Trust will continue to follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult. Full details can be found at paragraph 163 of KCSIE.

Cockburn Multi-academy Trust will continue to consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 166 of KCSIE and the TRA's 'Teacher misconduct advice for making a referral.

During the COVID-19 period all referrals should be made by emailing [Misconduct.Teacher@education.gov.uk](mailto:Misconduct.Teacher@education.gov.uk)

Whilst acknowledging the challenge of the current National emergency, it is essential from a safeguarding perspective that any school/academy is aware, on any given day, which staff/volunteers will be in the school/academy, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity. As such, Cockburn Multi-academy Trust will continue to keep the single central record (SCR) up to date as outlined in paragraphs 148 to 156 in KCSIE.

## **Online safety in school/academies**

Cockburn Multi-academy Trust will continue to provide a safe environment, including online. This includes the use of an online filtering system (e-safe). Where students are using computers in school/academy, appropriate supervision will be in place.

## **Children and online safety away from school/academy**

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per the Child Protection Policy and where appropriate referrals should still be made to children's social care and as required, the police.

Online teaching should follow the same principles as set out in the MAT code of conduct.

Cockburn Multi-academy Trust will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements. Below are some things to consider when delivering virtual lessons, especially where webcams are involved:

- No 1:1s, groups only
- Staff and children must wear suitable clothing, as should anyone else in the household.
- Any computers used should be in appropriate areas, for example, not in bedrooms; and the background should be blurred.
- The live class should be recorded so that if any issues were to arise, the video can be reviewed.
- Live classes should be kept to a reasonable length of time, or the streaming may prevent the family 'getting on' with their day.
- Language must be professional and appropriate, including any family members in the background.
- Staff must only use platforms provided by Cockburn MAT to communicate with students
- Staff should record, the length, time, date and attendance of any sessions held.

## **Supporting children not in school**

Cockburn Multi-academy Trust is committed to ensuring the safety and wellbeing of all its Children and Young people.

Where the DSL's have identified a child to be on the edge of social care support, or who would normally receive pastoral-type support in school, they should ensure that a robust communication plan is in place for that child or young person.

Details of this plan must be recorded on CPOMS, as should a record of contact have made. The communication plans can include; remote contact, phone contact, door-step visits. Other individualised contact methods should be considered and recorded.

Cockburn Multi-academy Trust and its DSL's will work closely with all stakeholders to maximise the effectiveness of any communication plan. This plan must be reviewed regularly (at least once a fortnight) and where concerns arise, the DSL's will consider any referrals as appropriate.

The academy will share safeguarding messages on its website and social media pages.

Cockburn Multi-academy Trust recognises that school is a protective factor for children and young people, and the current circumstances, can affect the mental health of students and their parents/carers. Teachers at Cockburn Multi-academy Trust need to be aware of this in setting expectations of students' work where they are at home.

## **Supporting children in school/academy**

Cockburn Multi-academy Trust is committed to ensuring the safety and wellbeing of all its students.

Cockburn Multi-academy Trust will continue to be a safe space for all children to attend and flourish. The Head of School will ensure that appropriate staff are on site and staff to student ratio numbers are appropriate, to maximise safety.

Cockburn Multi-academy Trust will refer to the Government guidance for education and childcare settings on how to implement social distancing and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of COVID19.

Cockburn Multi-academy Trust will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be be-spoke to each child and recorded on CPOMS.

Where Cockburn Multi-academy Trust has concerns about the impact of staff absence – such as our Designated Safeguarding Lead or first aiders – will discuss them immediately with the Executive Headteacher.

## **Peer on Peer Abuse**

Cockburn Multi-academy Trust recognises that during the closure a revised process may be required for managing any report of such abuse and supporting victims.

Where a school receives a report of peer on peer abuse, they will follow the principles as set out in part 5 of KCSIE and of those outlined within of the Child Protection Policy.

The school will listen and work with the young person, parents/carers and any multi-agency partner required to ensure the safety and security of that young person.

Concerns and actions must be recorded on CPOMS and appropriate referrals made.

## **Support from the Multi-academy Trust**

The Multi-academy Trust (MAT) Central Safeguarding Team will provide support and guidance as appropriate to enable the DSL to carry out their role effectively.

This includes, remotely accessing Child Protection files for the purpose of quality assurance, support, guidance and direction.

The MAT will also provide regular group and individual supervision sessions. This may take the form of an online meeting.
